Happy Indigenous Languages Month 2021!

Indigenous Languages Month (ILM) is an annual celebration that takes place in February in the Northwest Territories. It is an opportunity for NWT residents to celebrate the rich culture and heritage of the territory's nine official Indigenous languages. The theme for this year's celebration is "Cook with Me".

Food and cooking are linked to traditions, memories, and togetherness. It is hard to imagine family celebrations, holidays, or any other social gatherings without the addition of food! Food also brings people from different cultures together, allowing us to learn about people from different backgrounds. Food is part of our family histories and identities. We share our cultural heritage when we share food with others. Saying "Cook with Me" to our families and friends is an invitation to strengthen our togetherness, culture and heritage.

The Indigenous Languages Month 2021 Regional Recipe Book has been developed from the 2019 Easy and Healthy Home Cooking Recipe Contest by the Department of Health and Social Services (HSS). It is through a collaboration with HSS and the Department of Education, Culture and Employment (ECE), that this recipe book was made possible.

Irma Cardinal's Traditional Poached Arctic Char (Inuvik)

Irma says that this recipe is a favourite because it has a high amount of omega 3 fats for a healthy diet and it is traditional (from the land). She likes to serve this dish with steamed asparagus, boiled potatoes and bannock.

Irma also likes to have this dish with traditional Muskeg Tea (Lidii muskeg) for its health benefits and its ability to be picked year-round.

Cook time:
15-20 minutes

Serving size:
4

Ingredients:

4-5 oz. char
1 tbsp. garlic butter
1 ½ cups water or broth

Directions:

1. Heat a medium sized fry pan over medium heat with butter and water and wait until it comes to a simmer (not boiling).
2. Add pieces of fish in a single layer – do not pile into pan. Keep the heat at simmer. Do not boil.
3. Cook about 10 minutes uncovered.

Lift cooked fish from the pan with a slotted spoon or spatula.

I can put the ingredients in my slow cooker at lunch, and it is ready for supper. This is a hearty meal and keeps bellies full with healthy food. If I serve it with milk, all the food groups are covered. My family loves to mop up the last bits with homemade whole wheat bread."

Priscilla Lepine's Soup from Scraps (Fort Smith)

Priscilla loves soups. She says that she enjoys this recipe because it utilizes the vegetables that normally get thrown in the compost or the trash. These vegetable scraps make the best tasting soup broth. It's so versatile! You can add meats of your choice, veggies of your choice and have a different soup every time. It can also be made in a slow cooker or Dutch oven.

Cook time:
16 hours

Serving size:
8

Ingredients:

1 large freezer bag vegetable scraps (peelings, ends, stems)
1 lbs. any meat (beef, moose, caribou), chicken or turkey cut into bite sized pieces
1 cup carrots chopped
1 cup turnips chopped
1 cup celery chopped
1 cup onion chopped
1 tbsp. dried basil
1 bay leaf
Salt and pepper to taste

Directions:

1. Make a vegetable broth by placing the saved scraps into a large slow cooker and add boiling water just enough to cover the scraps. Cook on low for 8-12 hrs. The longer it cooks, the richer the broth.
2. Strain broth into large bowl, discard vegetables, and clean slow cooker insert.
3. Return strained broth to slow cooker. Add meat, vegetables, bay leaf and basil.
4. Add water, to cover ingredients, if necessary. Cook on low for 8 hours or high for 4 hours.
5. Season with salt & pepper & enjoy!

Cut beets into cubes - toss in the other bowl with olive oil, salt and pepper. Add other spices to your veggies as desired; I like to add a little caraway or fennel seed to beets or some chili for brussels sprouts.
3. Roast for approximately 20 minutes or until tender.
4. In a small pot, cook grains in water or stock until tender. About 30 minutes.
