

Education Renewal and Innovation Framework:
Directions for Change

Foundational Statements

Relationships

Meaningful relationships with self, others, ideas, and the land are the foundation for all learning.

Ecological Understanding

Education in the NWT is a living system of connections, each affecting an individual's relationships and well-being.

Identity

A positive sense of identity is actively supported.

Development of Self

Each person has multiple needs that must be met in order to grow and become a capable, contributing person.

Learning Together

People construct knowledge and learn individually and together.

Diversity

Diversity is recognized and valued in the education system.

Strengths and Growth

The ongoing growth of learners is nurtured.

Competencies

The development of competencies is supported in all learners.
