\* Trialing refers to schools having the choice to try one, some, or all subject areas of the draft curriculum.

\*\* Schools where Grade 9 is more closely aligned with Junior High School can choose for those students to be included in a 7- 9 grouping; if Grade 9 is more closely tied to Senior High School, schools can opt for the multi-grade division of 9-12.

\*\*\* Licence agreement with Alberta Education expires Aug. 31, 2026.
