## Purpose

The Northwest Territories (NWT) Senior Home Heating Subsidy (SHHS) provides financial assistance to NWT seniors who are 60 years of age or older, resides in and owns their own home or renting a self-contained unit in the NWT.

It is intended to help low to modest income seniors offset the costs of heating their homes/units. Seniors are responsible for costs above the maximum benefit amount.

## Service Standards

\*Revised March 2024

### Senior Home Heating Subsidy program staff guarantee we will:

- Provide courteous, quality service and answer all of your questions;
- Treat you with dignity and respect;
- Protect your personal information and correct your personal information if there has been an error or omission;
- Only use your personal information for the purpose of determining program eligibility; and
- Welcome a friend, family member, or advocate to come to meetings with you.

### We will achieve this by:

- Providing a response (verbal or written) to your application within 2 business days of verifying all of your required documents;
  - If approved, we will issue payment within the same timeframe;
- Returning your telephone and/or email message within 2 business days; and
- Assisting you with filing an appeal if you do not agree with a decision.

If at any point you feel the Service Standards have not been met, you may complete the Client Concern Form. This can be submitted [online](#), in person, or via mail.

## Definitions

\*Revised December 2024

### **Applicant**

A person, or their spouse, who applies for assistance.

### **Financial income test**

Is based on the income of the senior and their spouse not exceeding the income threshold by zone. The financial income test uses Line 23600 of the Notice of Assessment for the previous calendar year.

### **Notice of Assessment (NOA)**

Is a summary of your tax return, issued by the Canada Revenue Agency.

### **Primary residence**

The place which is considered to be the main living location; where the individual spends the majority of their time.

### **Recreational lease**

A recreational lease gives the occupant the exclusive right to use the land for a specified period of time and allows the lessee to make improvements on the land.

### **Resident**

A person lawfully entitled to be, or to remain in Canada, who makes his or her home and is ordinarily present in the NWT, but does not include a tourist, transient or visitor to the NWT.

### **Residential lease**

A residential lease is required for individuals wishing to build a permanent structure and gives the occupant the exclusive right to use the land for a specified period of time and allows the lessee to make improvements on the land.

### **Self-contained unit**

It can either be a house, an apartment, or a living unit with its own access that contains a kitchen, bathroom and sleeping facilities.

### **Subsidy**

A financial benefit provided by the Government to assist with lowering home heating expenses for seniors. It is not intended to cover full home heating expenses.

### **Subsidy period**

The subsidy will be provided on a monthly basis from September 1 to April 30.

## Delegation of authority

The Deputy Minister has delegated all decision and policy making authority for the SHHS to the Director, Income Security Programs.

## Eligibility

In order to be eligible, applicants must:

- Submit a completed application and provide supporting documentation
- Be 60 years of age or older
- Be a resident of the NWT
- Be residing in the community they are applying in
- Own and occupy the home as their primary residence OR if renting, be the lessee of a self-contained unit where heating costs are not included in the rent
- Meet an approved financial income test
- Substantiate household income by submitting a copy of their Notice of Assessment
- Not be receiving Income Assistance

Note – The income of the spouse must be considered for the purpose of calculating eligibility for the SHHS regardless of their age and whether they are listed on the homeownership documents and/or lease agreements.

When completing the application, the applicant can select to be assessed for Income Assistance for Seniors and Persons with Disabilities, SHHS, or both.

Applicants may only be eligible for one of the programs. If an applicant is receiving SHHS, they will not be able to apply for Income Assistance for Seniors and Persons with Disabilities until the next application period.

The SHHS can be accessed by **only one person** living in the same unit for the same period.

Fuel benefits may only be accessed through one Income Security Program per household in an assessment month.

*For example – A homeowner is accessing SHHS and there is an Income Assistance (IA) client residing with the homeowner. The IA client is not eligible for fuel benefits until such time as the SHHS has been fully used.*

The Department of Education, Culture and Employment (ECE) may discontinue the subsidy if the applicant does not use it for the purpose intended.

The subsidy can continue for a maximum of three months when the senior is temporarily away from their unit. If a senior will be away from their unit for more than three months they must notify their Client Navigator, who will then seek approval from the Director. Absences may result in an invoice.

### Application period

\*Revised April 2023

Applications will be accepted any time up until March 15; however, the subsidy is only available during the subsidy period. Applications will not be accepted for prior years.

## Zones, subsidy amounts and income thresholds

Depending on the community the applicant resides in, determines the income threshold and subsidy amount. The following is the breakdown of zones, income thresholds and subsidy amounts:

|                  | Zone 1  | Zone 2   | Zone 3   |
|------------------|---|--|--|
| <b>Community</b> | Behchokò<br>Dettah<br>Enterprise<br>Fort Providence<br>Fort Simpson<br>Fort Smith<br>Hay River<br>K'atl'odeeche<br>Kakisa<br>Ndilq<br>Yellowknife | Fort Liard<br>Fort Resolution<br>Gamètì<br>Inuvik<br>Jean Marie River<br>Nahanni Butte<br>Whatì<br>Wrigley | Aklavik<br>Colville Lake<br>Délj̄ne<br>Fort Good Hope<br>Fort McPherson<br>łutselk'e<br>Paulatuk<br>Sachs Harbour<br>Saamba K'e<br>Tsiigehtchic<br>Tuktoyaktuk<br>Tulita<br>Ulukhaktok<br>Wekweètì |

| <b>Income Threshold</b> | Up to \$56,000 | Up to \$64,000 | Up to \$73,000 |
|-------------------------|----------------|----------------|----------------|
| <b>Monthly Subsidy</b>  | <b>\$460</b>   | <b>\$560</b>   | <b>\$750</b>   |
| <b>Total Subsidy</b>    | \$3,680        | \$4,480        | \$6,000        |

Applicants may request that payment be issued to one or more supplier(s) for up to two types of heating sources; however, the annual subsidy amount cannot be exceeded.

Under the SHHS available fuel types, “Electricity” is only for hard-wired electric heat sources. Portable, plug-in type heating units are not considered a ‘heat source’ in this program.

## Applying

\*Revised March 2024

### Accommodation confirmation

If applicants own their home, they must provide proof of home ownership, which consists of one of the following:

- Certificate of Title
- Mortgage documents
- Notice of Assessment Municipal Taxation Area
- Confirmation of homeownership from First Nation Band
- Confirmation of homeownership from the NWT Housing Corporation
- Recreational or Residential Lease documents for Territorial or Commissioner’s land from the Department of Lands.

If applicants are unable to provide proof of homeownership for reasons that are beyond their control, the Client Navigator must contact the Director contacted to determine eligibility on a case-by-case basis.

If applicants are renting, confirmation of rental accommodation requiring payment of additional heating costs, which consists of the following:

- Lease/Rental agreement of a self-contained unit in the Applicant’s name and
- Verification that heating costs are not included in the rent

## Joint homeownership/joint tenancy agreements

In cases where a unit is owned or leased by more than one person, all incomes of those named on the homeownership documents and/or lease agreement will be considered for the purposes of calculating eligibility for the SHHS.

The Client Navigator may contact the Director in extenuating circumstances to determine eligibility on a case-by-case basis.

## Income eligibility

Applicants must provide their Notice of Assessment from the previous calendar year to determine eligibility.

The following calculation is used to determine net income:

- Line 23600** of the Notice of Assessment
- Less:** Amount for the SHHS in the applicant's zone
- Less:** Amount received for Canada Pension Plan Disability benefits
- Total:** Net income for SHHS purposes

The Canada Pension Plan Disability Benefit shall be exempt from the calculation of household income test. The amount may need to be verified by Employment and Social Development Canada (ESDC).

## Income information

Income from other adults residing in the unit is not considered in the household income test, unless they are co-owners or joint lease holders.

## Current year reassessment

If applicants are denied the subsidy as a result of their prior year income being too high, they may request a reassessment based on their income for the current calendar year. A reassessment will only occur for the individual who had a change of income.

*For example: John and Mary applied for SHHS, John indicated they recently retired and therefore their income has changed from the previous year. John may request a current year reassessment.*

In order for the reassessment to be completed, the applicant must provide:

- NOA for the **previous** calendar year from CRA
- Verification of income for the **current** year, which may include, but is not limited to the following:
  - Pay stubs
  - Pension statements
  - RRSP statements
  - Bank Statements

A current year assessment is based on the current calendar year (January to December). A Client Navigator will use the actual income received to date and estimate for the remainder of the year based on declared monthly income.

If it is later determined that the reassessment did not accurately represent the annual income, the applicant may be invoiced or the subsidy received in the subsequent year will be reduced by the same amount, in accordance with Income Security Programs policies.

## Income taxes

Although not taxable, benefits paid under the SHHS are reportable to the CRA. Recipients will be issued a T5007 tax slip. The T5007 slips are issued and mailed at the end of February each year.

## Communication

Applicants will receive a verbal or written response to their application within three (3) business days of verifying all required documentation.

Applicants must notify their Client Navigator immediately of any changes that may affect their application, which includes but is not limited to, any change in income, sale of their home, or change of residence.

## Payments

\*Revised December 2024

### Payments to suppliers

Direct payments will be made to the applicant's chosen fuel supplier(s).

Suppliers must be set up in the GNWT payment system in order to receive payment.

Prior to approving a wood supplier, the Client Navigator must confirm they have a Commercial Cutting permit or license.

A Timber Export/Transport Ticket must be submitted to the Client Navigator.

For more information, visit the [Forest Management Regulations](#).

There is no requirement for a reconciliation to occur at the end of the fiscal year between the supplier and ECE.

Payments will not be issued for prior years.

The supplier(s) cannot be changed once payments have been issued.

If the Client Navigator learns that an applicant has passed away after the subsidy has been paid out to the fuel supplier, no action is required of ECE. Any remaining credit with the fuel supplier vests to the applicant's estate and is not to be recovered by ECE.

### Payments to applicants

An applicant can choose to receive the payment directly. Once a payment is made, the applicant cannot request the payment go to the fuel supplier.

Payments will not be issued for prior years.

### Wood/wood pellets heating source

Applicants who use wood or wood pellets as their only fuel source under SHHS may be able have more payment flexibility to allow them to purchase an entire cord of wood or one skid of pellets. The Regional Manager may approve an applicant's alternative payments on a case-by-case basis.

SHHS payments must be made within the subsidy period from September through April and cannot exceed the total subsidy amount.

### Applicant's responsibility

The applicant is responsible to pay any arrears/additional charges with their supplier(s) not covered through the SHHS.

SHHS is a monthly subsidy payment to assist with a portion of the costs associated with heating the applicant's home. The applicant would be required to pay the remaining balance, see the example below.

|   | <b>Monthly Amount</b> |
|---|-----------------------|
| Heating Fuel Cost -December 2024                                    | \$600                 |
| SHHS – Subsidy Payment  | \$400                 |
| Portion Not Covered by SHHS and the applicant is responsible to pay | \$140                 |

## Compliance/recovery

ECE will conduct periodic compliance reviews to ensure compliance with the terms of these Policies.

Non-compliance may result in applicants being denied subsidy payments, and/or the recovery of any overpayments, and possible legal action.

If there is a change during the application year that eliminates the applicants’ requirement for the subsidy it may be recovered from the applicant.

## Audits

ECE will audit 25% of each region’s SHHS applications. These audits will be conducted to ensure that applicants continue to meet the eligibility criteria and qualify for SHHS.

In addition, applicants that requested a current year re-assessment will automatically require an audit by Headquarters.

If it is determined that the applicant does not meet the eligibility criteria it may result in the applicant being denied subsidy payments and/or recovery of overpayments.

## Appeals

\*Revised December 2023

Applicants who believe their assessment is incorrect can appeal the decision through an appeal process. Applicants may not appeal until a Notice of Refusal has been provided.

Appeals must be made in writing within 30 days of the date of the denial letter. Appeals may be submitted to the Registrar of Appeals or to the local ECE Service Centre.

Appeals must include the following information:

- Name, address and phone number of the appellant and representative, if applicable;
- Decision of the Client Navigator or Regional Manager, whichever is applicable for the appeal;
- Grounds for the appeal; and
- All other relevant information.

The appeal is heard through an internal appeal committee comprised of 5 staff from the Department of Education, Culture and Employment (ECE) who are not directly involved in the delivery of SHHS.

Applicants will be invited to participate in the hearing; however, the internal appeal committee may proceed without the parties in order to hear the appeal within the required 30 calendar days.

The Chair of the internal appeal committee will prepare a recommendation and will send to the Director, Income Security Programs, who will make their decision on the appeal and provide their written decision to the Registrar within 10 days of receiving the recommendation. The Director's decision is final cannot be appealed.

If an appellant chooses to withdraw their appeal, they must do so in writing.
