

How to submit files using a secure file transfer (SFT) email

When sending files, these are the steps and options available:

1. Click the **Submit using Filedrop** link on the funding page you are applying for. <https://sft.gov.nt.ca/filedrop/~JpHsff>

2. Your email will look the same way as a web-based email system and is automatically set to send to the proper email.

For example, if you are submitting files for a Small or Medium Arts Project Grant, the title of the page will be **CultureFund Filedrop**.

3. Enter the following details:

From: Your email address

Subject: Name of program you are sending the files to. For example, the Small Arts Project Grant or Medium Arts Project Grant.

Message: Please find attached my application form and supporting documentation.

From: your@email.com

Subject: Small Arts Project Grant

Message

Please find attached my application form and supporting documentation.

4. Attach your files using one of the following methods:

Note: You can add up to 2 GB.

1. Select your form and support documentation files from your computer (desktop, drive, etc.) and drag and drop them into the **Drop Files Here** section.
2. Select the **+Add Files...** button, this will open a window for you to locate and select your files from your computer (add relevant file/s by double clicking or selecting **Open**).

5. Once your form and supporting documentation have been uploaded, click **Send**.
